

# Joanna Pertz Landscape Architecture

68 Jay Street, Suite 411, Brooklyn, New York 11201 phone: 718- 797-1106 [www.joannapertz.com](http://www.joannapertz.com)

**Position for Hire:** Landscape Designer  
Entry Level / Mid -Level

**Location:** DUMBO Brooklyn, NY (temporarily remote)

## **Description:**

Joanna Pertz Landscape Architects – **JPLA**, a dynamic award winning studio is looking for a skilled and highly motivated landscape designer with 2-5 years of experience. JPLA is a small design studio based in Dumbo for the last 15 years (currently operating remotely). The studio's work is primarily within NYC including landscape design for hospital campuses, multi-family residences, courtyards, terraces and rooftops, public waterfront parks and landscape maintenance oversight.

The studio fosters a collaborative environment and places a high value on design, sustainability and built work. We are looking for a highly organized and creative individual to join our team.

Salary commensurate with experience.

The position is for immediate hire.

## **Skills Required:**

Highly organized with strong written and verbal communication skills  
Strong Technical Skills (Grading, Detailing and Construction Documentation)  
Strong graphic skills  
Advanced skills in AutoCAD, Adobe Creative Suite and Microsoft Office Suite  
Experience with Rhino and Sketch up rendering a plus  
Knowledge of plants and plants maintenance a plus

## **Educational Requirements:**

Undergraduate or graduate degree from accredited landscape architecture program.
