## About ABB

Abel Bainnson Butz, LLP (ABB) is an established 15-person firm based in Manhattan that offers professional landscape architectural design and site planning services. ABB has a diverse portfolio of high-quality urban design projects of all scales including waterfront parks, plazas, parks and playgrounds, sports and recreational facilities, streetscapes, and rooftop developments.

ABB attributes the work that we have accomplished over the last 50 years to our talented staff and the continued presence of creative and supportive firm leadership. Our partners are approachable and hands-on, both with clients and internally with team members. We offer a collaborative work environment of well-rounded professionals who complement each other's strengths. ABB believes in cultivating strong designers with mentorship, giving them the opportunity to be involved in all aspects of a given project.

We are seeking highly-qualified, creative **Landscape Architects** who are detail-oriented critical thinkers and comfortable in a fast-paced, deadline-driven work environment to work on a wide range of projects. Candidates with previous experience on public NYC projects are highly desirable.
