

JOB OPENINGS:

LANDSCAPE DESIGNER / LANDSCAPE ARCHITECT

Luxury landscape architecture firm in central New Jersey is seeking talented designers to join our team. The roles will primarily handle in-office technical drafting and presentation graphics, take-offs and estimation, material specification, and fieldwork. We seek individuals with an artistic eye and good communications skills, knowledge of plants a plus. These designers will contribute to the ideation, planning and execution phases of our projects.

Our ideal candidate(s) will have:

- Landscape Architecture degree or similar; Landscape architecture license a plus.
- Landscape, engineering, architectural or interior design experience.
- Strong technical skills including proficiency with AutoCad and Adobe Suite; hand drawing abilities a plus.
- Solid design sense that enables visual expression of complex ideas and graphical problem solving.
- Experience in the development of projects from conceptualization to construction administration a plus.
- Knowledge of site planning, grading, and planting design.
- Ability to take ownership of tasks while working within a design team.
- Excellent organization, verbal/written skills, and attention to detail.
- Reliability to complete tasks accurately and on time.

Founded in 1994, the Back to Nature Home & Garden designs and builds customized outdoor spaces that are beautiful and client centric. We offer a starting salary of \$25-\$35/hour based on experience, as well as on the job training, paid time off, and holidays. To be considered, candidates should email a cover letter, resume and portfolio samples (PDF or website link) to hr@backtonature.net. Questions may be directed to hr@backtonature.net or our office phone 908-439-4639.
