Improving the  
World We Live In

chacompanies.com #theCHAWay

**CHA Consulting, Inc. (CHA) is an innovative, full-service engineering consulting and construction management firm delivering sustainable, integrated solutions to the world's most challenging infrastructure projects. With decades of experience, we bring inspired talent, forward-leaning technology, and essential partnerships to meet our clients' evolving needs. We are your trusted advisors and partners committed to *responsibly improving the world we live in.***

## Brooklyn, NY

CHA Consulting, Inc. is currently seeking a **Landscape Designer** to join our **Land Development Business Line** in the Brooklyn, NY office.

A well-executed project requires cooperation among the developer, regulatory agencies, local review boards, consultants, and the community. Careful consideration must be given to impacts on traffic, stormwater drainage, water and sanitary services, and the environment. With all those moving parts, a developer needs one resource that can plan a project tactically, design it cohesively, permit it seamlessly, and construct it successfully. We have the permitting, engineering, and construction experience to expedite project approvals and deliver projects on time and on budget.

### ESSENTIAL DUTIES AND RESPONSIBILITIES

At CHA, the Landscape Designer position will be located within the Planning and Landscape Architecture Group. This group services the Land Development and Buildings teams, including both private and public clients, but also the Infrastructure and Power sectors and support projects that increase the sustainability and resiliency of our communities and the environment using a wholistic approach to design that considers the needs of people, flora, and fauna. This position is to support the growth of our Brooklyn, NY office located in the DUMBO area of Brooklyn and a half a block from the iconic Washington Street pedestrian street.

At CHA a Landscape Designer is responsible for supporting the design and planning for a variety of project types including site design, master planning, planting design, and habitat restoration. This role will engage in all aspects of a project from conceiving and permitting through construction by leading the creation of visual impact assessments, site feasibility plans, and construction documentation. It is expected that this role will routinely present data, design ideas, and other findings through written documents, oral and visual presentations, and graphic means both internally and externally. The Landscape Designer will also complete field assignments, such as data collection and construction observation, when appropriate. Additionally, this position will provide plan renderings and perspective renderings on a variety of different projects.

## EDUCATION AND LICENSURE

- Bachelor's degree in Landscape Architecture or an MLA with a BS in a related field required

## SKILLS, EXPERIENCE AND QUALIFICATIONS

- A minimum of 1 years of professional experience required
- Computer graphic skills such as AutoCAD, SketchUp, Adobe InDesign, Adobe Photoshop, Adobe Illustrator, and Adobe InDesign are required
- Experience in Lumion, GIS, Land F/X, Revit and Civil 3D is preferred
- Proficiency with Microsoft Word, Excel, and PowerPoint required
- Strong background in planting design
- Ability to self-motivate and work productively with and without supervision is required
- Strong analytical, conceptual, and organizational skills required
- Desire to become a Registered Landscape Architect
- Effective verbal and written communication skills with the ability to adapt communication style to suit all levels of personnel and management. Experience working in a digital platform such as Teams is required.
- Desire to work in a dynamic collaborative team environment with the willingness to assist more senior staff
- Desire to be part of a dynamic team that works on projects across the eastern half of the United States.
- Travel will be based on project assignments- day trips or localized overnights are anticipated.
- Portfolio is required with submission of resume.

## CULTURE/EEO STATEMENT

CHA takes pride in recruiting, developing and retaining highly talented individuals. In addition to competitive salaries, we offer a comprehensive benefits package and a variety of opportunities for our employees' professional growth and development.

**All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship, age, disability, protected veteran status, or any other characteristic protected by law.**
