

THE ART OF OUTDOOR LIVING, AS NATURE INTENDED

If you enjoy creating innovative, sustainable, and client-focused designs, then we have a great opportunity for you!

Pellettieri Associates, Inc. (PAI) is an award-winning, industry-leading landscape architectural design/build firm that empowers its team to build long-lasting relationships with clients throughout New Hampshire. Our design team is growing, and we are looking for an experienced **Senior Landscape Architect** to join us as we turn our clients' dreams into realities. Be a part of a fun and creative team that transforms high-end residential properties into engaging outdoor living spaces, as nature intended.

What will you do?

- Our Senior Landscape Architect will guide clients through all phases of the design process.
- Work alongside our project managers to oversee complex landscape projects, project layout, cost oversight, and client meetings.
- With a focus on teamwork, our design team will collaborate with our Construction & Fine Gardening Teams frequently to ensure optimal outcomes for our clients.
- The Senior Landscape Architect will be responsible for guiding our Landscape Design Team, mentoring entry-level designers, and growing our project pipeline.

What are we looking for?

- A driven, landscape architect with 8+ years of experience, ideally in high-end residential design
- A BLA/MLA from an accredited Landscape Architecture/Architectural program
- Proven experience with Vectorworks, Adobe Creative Suite, AutoCAD, SketchUp, Microsoft Office, and Apple Computers
- Professional licensure is required – NH licensure is a plus

What can we offer you?

- Competitive pay starting at \$72,000 per year and dependent upon experience
- 100% employer paid health insurance
- Paid holidays, paid-time off program, and fun company events.
- Dental, disability, and life insurance
- 401(k) retirement plan
- Plenty of office snacks to keep your creativity going strong
- A work environment that surrounds you with the natural beauty of New England
- A well-connected team that works with the best professionals in the landscape industry
- A dog-friendly office!

What does the Lake Sunapee Region have to offer?

- Breathtaking mountains, hiking trails, and nature walks
- Close proximity to the seacoast, cities, and nightlife
- Lots of nearby lakes for swimming, boating, and more!
