

LaGuardia Design Group is an award-winning Landscape Architecture firm with offices in the Hamptons, New York City, and Palm Beach. Our current projects include high end residential and commercial projects that extend over the United States and the Caribbean. We work in a team setting on all facets of the design process. Typical responsibilities include drafting, 3D modeling, preparing design presentation packages, administering project budgets, preparing bid and construction sets and interacting with clients and other allied professionals. The firm offers an opportunity to collaborate with world renowned Architects and Designers, in some of the most beautiful locations in the world.

We're looking for highly motivated and talented designers to join our New York City team.

Entry Level Associate Landscape Architect:
