

Junior Landscape Architect and Senior Landscape Architect

OVERVIEW

MKW + Associates, LLC is an award-winning firm dedicated to the practice of landscape architecture and urban design. For over five decades, MKW has been a leader in shaping environments throughout the New York/New Jersey Metropolitan area and beyond from our Rutherford, NJ office. Our successes are achieved through a partnership of creative thinking with our clients and our talented and dedicated staff. The endurance of our work is a testament to our philosophy: respect for the land, commitment to site-sensitive design and responsiveness to the human need for environmental harmony. Our portfolio of work covers a breadth of project types including parks, plazas, waterfronts, university campuses, residential developments, green roofs, ecological trails, and children's gardens.

Please visit www.mkwla.com to find out more about us.

RESPONSIBILITIES

MKW is involved with all phases of the design process from pre/concept design through construction period services. Successful candidates will be exposed to all design phases in support of the office team including existing conditions documentation and site analysis, concept and schematic design, construction documentation and assistance in construction period services.

QUALIFICATIONS

Applicants should be highly-motivated, dedicated individuals with an undergraduate or graduate degree from an accredited landscape architecture program. Critical thinking and the ability to work well on both teams and individually are essential characteristics. Applicants need to be well-versed in AutoCAD, Microsoft Office, the Adobe Creative Cloud and 3D Visualization Programs, such as Rhino and Lumion.

OPPORTUNITIES

1. **A Junior Landscape Architect** position (0-3 years) in our well-established, landscape architectural office that fosters a team approach. In addition to qualifications noted above, applicants shall possess:
 - Superior design abilities including design detailing/development.
 - Superior graphic, verbal, and written communication abilities.
 - Excellent time management and organizational abilities.
2. **A Senior Landscape Architect** position (12-15 years) in our well-established, landscape architectural office that fosters a team approach. In addition to qualifications noted above, applicants shall possess:
 - Superior design, technical, and communication skills.
 - Demonstrated experience in leading presentations to and collaboratively working with clients, community groups, project team members and other stakeholders.
 - Ability to combine client program and site characteristics into thoughtful, compelling design options.

- Excellent management abilities to initiate project set-up; oversee and direct design and construction document preparation; act as team lead for project staff; and effectively work with other subconsultants or as subconsultant as part of multi-disciplinary teams assembled for various projects.
- Ability to work in a leadership role with minimal oversight.
- Excellent computer/analytic skills, including use of spreadsheets and project management software.
- Active licensure in the State of New York and New Jersey.
- Excellent business development skills such as managing and developing client relationships; pursuing new work including the preparation of proposals.

Various levels of experience and areas of expertise are represented in the office, exposing the successful candidates to a broad range of the profession. We offer a competitive salary and benefits package commensurate with the applicant's experience. MKW is an equal opportunity employer.

Interested candidates should submit cover letter, resume and portfolio showing illustrative and construction document work examples in PDF format to info@mkwla.com.
