

MKM Landscape Architecture is currently seeking a talented Project Landscape Designer with 2-5 years of experience to join our team. The firm, founded more than 35 years ago, has completed a wide range of national and international design projects. Our new office, in New Rochelle, NY, is within close walking distance of the Metro North / Amtrak terminal.

Applicant should be able to work well in a collaborative environment and possess strong communication, design and graphic skills, as evidenced by documented project experience and a portfolio showing a range of project types and drawings. Demonstrated experience in Construction Documentation / detailing are a prerequisite for this job. Applicant should be mature, organized and detail oriented.

Ideal candidates will be proficient with AutoCAD (2010 and above), Adobe Creative Suite, MS Office, and Sketch Up. Minimum BLA from an accredited university required, MLA preferred. Licensing is viewed favorably but not required. Certifications are viewed favorably.

Salary will be commensurate with experience. We offer health insurance and a 401K plan. For more information, please visit our website at www.markkmorrison.com. Interested applicants should send a letter of interest, resume, representative portfolio, and list of references for our consideration. No phone calls, please. Email inquiries and submission materials in PDF format (10MB max.) to the attention of Mark K. Morrison, mkm@markkmorrison.com.
