

Mid-Level Position with Wagner Hodgson Landscape Architecture in Hudson, New York

Wagner Hodgson Landscape Architecture's Hudson, New York office is seeking a landscape architect with 5-8 years' experience. Wagner Hodgson is an award-winning landscape architecture firm with 14+ staff in two studios - Hudson, NY and Burlington, VT. Structured as a traditional open design studio, Wagner Hodgson encourages and fosters a collaborative design process amongst our team and clients. This environment cultivates a shared commitment to design excellence for making of new landscapes that are beautiful, resilient, social, and performative.

Hudson is a small city with artistic vibrancy, urban grit and adjacency to the natural splendor of Hudson River Valley farms, open spaces, and Catskill Mountains. We seek a colleague that demonstrates talent and passion for our profession, a collaborative spirit and enthusiasm to perform a wide range of tasks. We engender a studio environment that encourages work-life balance.

Position requirements:

- High level of design aptitude and skill
- Passion for landscape architectural projects of all scales and locations
- Degree in landscape architecture from an accredited school
- 5-8 years' experience in the field
- Excellent verbal and graphic communication skills
- Excellent organizational and project management skills
- Strong construction detailing skills
- Experience with construction administration
- Team oriented, flexible, and positive attitude
- Proficiency with:
 - Adobe Creative Suite
 - AutoCAD
 - Microsoft Office
 - Rhino
 - Lumion (not required, but preferred)
 - Hand sketching and drawing

Application requirements:

- One-page cover letter stating your interest in working at Wagner Hodgson Landscape Architecture
- Resume
- Portfolio (no more than 12MB)
